

## Interest Application for Upcoming Discovering the Bridge Workshops

**Description:** **Discovering the Bridge** is a workshop offered to community members, educators, service providers, churches, nonprofits, and businesses. You will gain perspective on the depth of issues that people in poverty face every day, and learn how to partner with people in poverty, whether as employers, neighbors, agency staff, or teachers. You will learn how to improve agency and employment policies to break down barriers that make it difficult for individuals in poverty to improve their lives.

**Location, Time, and Registration Fee:** Someone will contact you with information when workshops are scheduled.
